AÇAÌ MIST KERATIN STRENGTHENING SPRAY

Açaì Mist is a heat activated styling spray packed with benefits. It is infused with a UV protectant and shine enhancing Siliqua Seed for beautiful shine and luster. Açaì Mist also contains powerful Açaì berry extracts packed with antioxidants, pure Keratin proteins that add to this spray's amazing restructurizing capabilities, and Silk protein fibers that increase strength and shine impact. When misted onto dry hair before adding heat, it strengthens and protects hair.

Usage

For everyday use, spray on dry hair or before heat styling.

Jojoba is a light and non-greasy emollient- it fills in cracks that are on the surface of the hair cuticle, therefore helping to repair hair damaged by heat styling. The antibacterial properties in jojoba soothe the scalp and can be used to treat dry scalp conditions such as dandruff. Jojoba penetrates the hair follicle strengthening and hydrating hair from the inside producing shine, elasticity and softness.
